Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the “Providing Health Care Education in Bay, Isabella, Midland, and Saginaw Counties (MI)” project in Fiscal Year 2024. The entity to receive funding for this project is Central Michigan University, located at 1200 S. Franklin St., Mount Pleasant, Mich. 48859.

The funding would be used to bring technology-enabled health care education into secondary school classrooms in rural communities with fewer than 20,000 residents in Bay, Isabella, Midland and Saginaw counties. The project is an appropriate use of taxpayer funds because it will expose students to the vast array of health careers, while encouraging students who achieve advanced education in health care to join the health care workforce in the rural communities from which they are from.

The project has a federal nexus because it is for the purposes authorized in Section 2331 of the Food, Agriculture, Conservation, and Trade Act of 1990, 7 U.S. Code section 950aaa.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Daniel T. Kildee".
